CONSTRUCTION COST: _____

Mid County FPD requires proof of the cost of work to be completed by submitting a copy of the bid or quote for the project.

Applicants shall submit electronic plans.

The plans shall indicate approval by the local City / Village or the St. Louis County Public Works / Building Department.

Applicants may pick up approved plans and the permit following approval. Make permit fees payable to Mid-County Fire Protection District.

The building must pass a final inspection prior to occupancy or use of the structure.

Builders / Contractors must post permits until passage of the final inspection.

Project Funding: (Mark applicable funding sources)

Funding for this project WILL involve the listed Revised Statutes of Missouri.

- Chapter 99 – Tax Increment Financing
- Chapter 100 – Industrial Bonds Agreement
- Chapter 353 – Urban Development

Funding for this project WILL NOT involve the listed Revised Statutes of Missouri.
